

UNIVERSITY *of* NORTH FLORIDA[®]

Commencement

Friday, May 2, 2025
UNF Arena

University of North Florida
Jacksonville, Florida

MISSION STATEMENT

At the University of North Florida, we ignite a passion for learning and discovery through transformational education in a supportive environment that leads students to rewarding careers and lifelong success. Our beautiful campus is a hub for talent development, relevant research and community engagement, where we enrich lives and fuel the economic and overall prosperity of Northeast Florida and beyond.

VISION STATEMENT

The University of North Florida will be the destination of choice for talent and for public and private investment.

VALUES

Accountability | Integrity | Excellence | Civility | Culture of Care

GREETINGS FROM THE PRESIDENT

Dear Graduates:

Congratulations! Your hard work has paid off, and I wish you the very best as you celebrate this special day with your fellow graduates, loved ones and the entire Osprey community.

Though it will take you only a few moments to walk across the Commencement stage, we know that you have spent countless hours working to achieve this exciting milestone. Earning a degree is life-changing and an accomplishment that opens the door to the next chapter of your life. You have earned your place in this graduating class, and we can't wait to see what the future holds for you.

As a new graduate, you will be joining a UNF alumni network of more than 100,000! I wish you abundant success and endless happiness and hope you will stay connected with your fellow Ospreys wherever your degree takes you. My heartfelt congratulations to each of you. Swoop!

Sincerely,

Moez Limayem, Ph.D.
President

President Moez Limayem

PRESIDENT'S CABINET

TRADITIONS OF THE COMMENCEMENT CEREMONY

Academic regalia date back to European universities of the Middle Ages, when gowns and hoods were required for warmth in unheated buildings. Gowns were fur-lined adaptations of the priestly toga, and hoods were worn to protect the tonsured heads of the priests. The regalia now serve as a visible reminder of the historic antecedents of intellectual pursuits.

In American universities of the late 19th century, these medieval costumes were revived to lend color to academic functions. Efforts were made to establish a code that would set standards for academic dress. Gowns of masters and doctors are generally ankle length and closed in front. The master's gown has pointed sleeves that are slit at the elbows. The doctoral gown has wide lapels of velvet, either black or the color of the scholar's specialization. The sleeves are full and bellshaped, with three velvet chevrons, either black or colored like the lapels. Gowns normally are black, although some universities have designed their own in the colors of the institution.

The hood, which drapes over the back of the gown, carries the greatest symbolism of all components of the academic costume. Its length, width and colors denote the wearer's highest academic achievement and institution. The master's hood is pointed; the doctoral hood is bellshaped. The color of the border of the hood indicates the scholar's major field of study; the lining color or colors identifies the institution that conferred the wearer's degree. Hoods were originally trimmed in fur but now have satin borders for masters' and velvet for doctors' hoods.

The customary head covering is the mortarboard, or Oxford cap, with a tassel on the left side. Persons who possess the doctorate wear a tassel of gold metallic threads. The soft, large beret, modeled after the cap of Cambridge University, also has been adopted by some institutions.

The medieval university was much concerned with rank and privilege, and academic robes made visible the social and academic distinctions of the wearers. These distinctions have largely disappeared, and robes now indicate specialization. The following colors are associated with the degrees frequently represented in academic processions:

Administration	Peacock blue
Arts, Letters, Humanities	White
Athletic Training/Kinesiology	Sage green
Business	Light brown
Education	Light blue
Engineering	Orange
Fine Arts	Deep brown
Health and Nutrition	Kelly green
Mathematics and Statistics	Gold
Music	Pink
Nursing	Apricot
Physical and Technological Sciences	Gold
Physical Therapy	Teal
Public Health	Salmon
Social Work	Citron

The University of North Florida (UNF), one of the 12 public institutions in the State of Florida, is a comprehensive urban university that offers degree programs at the bachelor's, master's and doctoral levels. Established in 1965 as an upper-division and professional graduate institution, the University began offering classes in 1972. Freshmen and sophomores were added to the student body in 1984. UNF's scenic campus is now nestled among 1,381 acres, which includes a nature preserve and wildlife area with lakes and nature trails.

As UNF grows, it is proud of maintaining a reputation for excellence, which attracts a diverse group of highly qualified students. Academic programs are built on a strong foundation in the traditional arts and sciences. The University now has a student body of nearly 17,000 students enrolled in 68 undergraduate degrees with 81 areas of concentration, 45 master's degrees with 98 concentrations, and 6 doctoral degrees with 3 concentrations. It has nearly 600 faculty members and more than 1,100 full-time and part-time staff. UNF has six colleges: Brooks College of Health, Coggin College of Business, College of Arts and Sciences, College of Computing, Engineering and Construction, Silverfield College of Education and Human Services, and Hicks Honors College. The University grants more than 4,300¹ bachelor's, master's and doctoral degrees each year.

UNF is dedicated to excellence in teaching, research and public service. The University's faculty is committed to providing high-quality instruction. The faculty's publications and other creative activities demonstrate a determination to

remain at the cutting edge of intellectual inquiry and practice their respective disciplines. The University — through centers and institutes as well as traditional educational offerings and activities — is a major contributor to the community life of Northeast Florida and, indeed, to the larger community.

The generosity of both corporate leaders and dedicated citizens through the UNF Foundation supports scholarships, fellowships and engaging activities on campus and in the community.

The University of North Florida is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award baccalaureate, master's, and doctoral degrees. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call (404) 679-4500 for questions about the accreditation of the University of North Florida. Individual contact with the Commission on Colleges about the University of North Florida accreditation status should occur only if there is evidence that appears to support significant noncompliance with a requirement or standard.

Some professional associations offer further accreditation of specific programs. UNF's programs in athletic training, building construction management, business administration, civil engineering, computer science, electrical engineering, health administration, information science, information systems, information technology, mechanical engineering, music, anesthesiology nursing, nursing, nutrition, physical therapy, public administration, rehabilitation counseling, and teacher education have been accorded national disciplinary accreditation.

1– Degrees are for the 2023–2024 Academic Year

2025 SPRING COMMENCEMENT CEREMONY

**Please rise as the Processional begins and remain standing throughout the National Anthem.*

***Please refrain from applause until all degree candidates have been presented.*

****Please stand throughout the Recessional.*

COMMENCEMENT PROTOCOL

This ceremony represents the culmination of many years of work and sacrifice on the part of the graduates and their families. Therefore, please give this occasion the dignity and respect it deserves by remaining in your seats for the entire ceremony, except to use designated photo areas, so that others are not disturbed.

SPRING 2025 SENIOR SERVICE AWARD WINNER

The University of North Florida Alumni Association recognizes a graduating senior each semester for outstanding service to the University and community through volunteerism. This year, the UNF Alumni Association has selected Gabriela Espinoza as the recipient of the Senior Service Award for the Spring 2025 graduating class.

Gabriela Espinoza

The University of North Florida Alumni Association is proud to recognize Gabriela Espinoza as the Spring 2025 recipient of the Senior Service Award. Ms. Espinoza is earning a Bachelor of Arts in Psychology with a concentration in child psychology and a minor in child welfare. During her time at UNF, she has dedicated herself to servant-leadership and civic engagement, volunteering with organizations such as Foster Closet, Kim's Open Door, the Ronald McDonald House and Inspire to Rise to improve the lives of underserved children and families in our community.

Ms. Espinoza's compassion and commitment to advocacy have shaped her journey and inspired others to join her. As Espinoza becomes the first person in her family to receive a college degree, we celebrate this momentous achievement with her and all first-generation college students graduating this semester. After UNF, she will pursue a Master of Social Work at the University of Maryland, Baltimore County, and will continue her "duty to social good" to facilitate access of vital goods, services and education to children and families in need. The University of North Florida Alumni Association congratulates her as a remarkable Osprey alumna whose efforts embody the "Culture of Care" at the heart of UNF's guiding values.

SPRING 2025 HONORARY DOCTORATE RECIPIENT

Deborah Hicks Quazzo

Deborah Hicks Quazzo is the co-founder of the ASU+GSV Summit and the Managing Partner of GSV Ventures. Her work, both professionally and personally, is focused on scaled education innovation. Ms. Hicks Quazzo has been included on Insider's list of top 100 seed investors three times. Now in its 16th year, the ASU+GSV Summit celebrates innovations and innovators across the global "pre-K to gray" learning and workforce skills landscape and attracts over 15,000 attendees to three premier events in San Diego and Gurgaon, India.

Ms. Hicks Quazzo serves on a number of education-focused boards, including Ascend Learning, Class Technologies, Degreed, Dreamscape Learn, Ellucian and Turnitin. She is also a member of the boards of The Common Ground Foundation, Steppenwolf Theatre Company, Vail Valley Foundation and The Yidan Prize Foundation Advisory Committee.

Ms. Hicks Quazzo graduated cum laude with a B.A. in History from Princeton University and an M.B.A. from Harvard University.

SPRING 2025 ALBERT D. ERNEST JR. CARING AWARD

The Albert D. Ernest Jr. Caring Award seeks to recognize a UNF student who embodies the spirit of caring, volunteerism and humanitarianism. The award is an opportunity to recognize and honor the bright, dedicated and selfless individuals who take the time and strive to make the world a better place to live. Students are supported in the application process by a nomination from a professor, supervisor and/or mentor.

Iman Barakzoy

This year's recipient, Iman Barakzoy, graduates today with a Master of Education in School Counseling. In her work with students, Iman is committed to advocating for justice and equity in schools. Her mission is threefold: to give a voice to those who haven't yet found theirs, to stand up for those in need and to ensure an equitable educational experience for every student. In her words, "It only takes one person to change a life, and I hope to be that person for my students and their families by amplifying the voices of those who have been dismissed, ignored, or silenced." Whether in school or out, Iman believes we all can create a better world by supporting one another with empathy and advocacy.

Today, Iman receives a stunning bronze sculpture created by the late Frank Eliscu, designer of the Heisman Trophy, the Oval Office's Presidential Eagle and the Presidential Medal of Freedom. Iman will receive a donation made in her name to a charity of her choosing.

Aaron Snodgrass

CONGRATULATIONS ON YOUR COMMENCEMENT!

After years of hard work, countless late nights and anxious moments, you've earned your degree from the University of North Florida. We know you are proud of your accomplishments, and we're proud to welcome you as a new member of the UNF Alumni Association!

You join a network of Ospreys worldwide who are leaders and agents of change actively engaged within their communities and making a difference in the world.

The UNF Alumni Association has been serving the University's alumni since it first met as an advisory council in 1976. Of course, a lot of things have changed since then and we've worked hard to keep pace with your lifestyle and modern trends. We encourage you to follow us on social media and update your personal information through the Alumni Association website at www.unf.edu/alumni. While you're there, be sure to subscribe to Nest Notes, our free electronic newsletter and an important communication tool for keeping you informed of upcoming events, happenings and opportunities available to you as alumni.

The Alumni Association hosts and promotes dozens of events each year including socials, networking opportunities, professional development seminars, family activities and more. There is something for everyone, so join us!

Congratulations again, and we look forward to seeing you at future UNF alumni events!

Stay connected ... and keep on swooping!

UNF ALMA MATER

Music adapted by Dr. William C. Moffit

Words by Dr. Merrill J. Palmer

VERSE:

We recall those days of gladness,
Nestled midst the lakes and pine,
Where we sought the gift of knowledge,
Alma Mater, pride of mine.

REFRAIN:

Sing her glory and her praises,
Let them ring from sea to sea!
North Florida we proudly honor,
U-N-F, all hail to thee.

VERSE:

Near the shores of the Atlantic,
Where the Osprey soars on high,
Stands our Alma Mater strong and true,
With her colors gray and blue.

REPEAT REFRAIN
