## *Commencement*

**August 4, 2023**

**UNF Arena**

*University of North Florida  
Jacksonville, Florida*

## MISSION STATEMENT

---

At the University of North Florida, we ignite a passion for learning and discovery through transformational education in a supportive environment that leads students to rewarding careers and lifelong success. Our beautiful campus is a hub for talent development, relevant research and community engagement, where we enrich lives and fuel the economic and overall prosperity of Northeast Florida and beyond.

## VISION STATEMENT

---

The University of North Florida will be the destination of choice for talent and for public and private investment.

## VALUES

---

Accountability, Integrity, Excellence, Civility, Culture of Care

*\*Mission, Vision and Values approved by the UNF Board of Trustees, June 2023; pending FL Board of Governors approval*

## STATEMENT OF UNITY

---

UNF stands in unity and solidarity with all members of our community, regardless of genetic information, race, color, religion, age, sex, disability, gender identity and expression, sexual orientation, marital status, national origin or veteran status. We are proud of the diversity in our students, faculty and staff.

We strongly condemn acts of hate and bigotry as antithetical to the University's core values of mutual respect and civility. Actions and words that seek to deny human beings full membership in the broader moral community on the basis of arbitrary characteristics are intolerable. We stand opposed to violence in language or in action, and we see these as a threat to the mission of UNF as a public university that is committed to intellectual and cultural growth and civic awareness.

We pledge to stand with and for those who are the most vulnerable members of our community and to take actions that help our students and fellow employees feel safe and know that they are safe. We affirm UNF's unreserved commitment to student success within a diverse, supportive campus culture. We seek to embody the ideals of a free and democratic society, and we fully support and value each member of our community.

## GREETINGS FROM THE PRESIDENT

---

Dear Graduates:

Congratulations! Your hard work has paid off, and I wish you the very best as you celebrate this special day with your fellow graduates, loved ones and the entire Osprey community.

Though it will take you only a few moments to walk across the Commencement stage, we know that you have spent countless hours working to achieve this exciting milestone. Earning a degree is life-changing and an accomplishment that opens the door to the next chapter of your life. You have earned your place in this graduating class, and we can't wait to see what the future holds for you.

As a new graduate, you will be joining a UNF alumni network of more than 100,000! I wish you abundant success and endless happiness and hope you will stay connected with your fellow Ospreys wherever your degree takes you. My heartfelt congratulations to each of you. Swoop!

Sincerely,

Moez Limayem, Ph.D.  
President

## TRADITIONS OF THE COMMENCEMENT CEREMONY

Academic regalia date back to European universities of the Middle Ages, when gowns and hoods were required for warmth in unheated buildings. Gowns were fur-lined adaptations of the priestly toga, and hoods were worn to protect the tonsured heads of the priests. The regalia now serve as a visible reminder of the historic antecedents of intellectual pursuits.

In American universities of the late 19th century, these medieval costumes were revived to lend color to academic functions. Efforts were made to establish a code that would set standards for academic dress. Gowns of masters and doctors are generally ankle length and closed in front. The master's gown has pointed sleeves that are slit at the elbows. The doctoral gown has wide lapels of velvet, either black or the color of the scholar's specialization. The sleeves are full and bellshaped, with three velvet chevrons, either black or colored like the lapels. Gowns normally are black, although some universities have designed their own in the colors of the institution.

The hood, which drapes over the back of the gown, carries the greatest symbolism of all components of the academic costume. Its length, width and colors denote the wearer's highest academic achievement and institution. The master's hood is pointed; the doctoral hood is bellshaped. The color of the border of the hood indicates the scholar's major field of study; the lining color or colors identifies the institution that conferred the wearer's degree. Hoods were originally trimmed in fur but now have satin borders for masters' and velvet for doctors' hoods.

The customary head covering is the mortarboard, or Oxford cap, with a tassel on the left side. Persons who possess the doctorate wear a tassel of gold metallic threads. The soft, large beret, modeled after the cap of Cambridge University, also has been adopted by some institutions.

The medieval university was much concerned with rank and privilege, and academic robes made visible the social and academic distinctions of the wearers. These distinctions have largely disappeared, and robes now indicate specialization. The following colors are associated with the degrees frequently represented in academic processions:

Arts, Letters, Humanities .....	White
Business .....	Light brown
Computer Science .....	Gold
Economics .....	Copper
Education .....	Light blue
Engineering .....	Orange
Fine Arts .....	Deep brown
Health .....	Sage
Law .....	Purple
Library Science .....	Lemon yellow
Medicine .....	Kelly green
Music .....	Pink
Nursing .....	Apricot
Philosophy .....	Dark blue
Public Administration .....	Peacock blue
Public Health .....	Salmon
Science .....	Golden yellow
Theology .....	Scarlet

## THE UNIVERSITY OF NORTH FLORIDA

The University of North Florida (UNF), one of the 12 public institutions in the State of Florida, is a comprehensive urban university that offers degree programs at the bachelor's, master's and doctoral levels. Established in 1965 as an upper-division and professional graduate institution, the University began offering classes in 1972. Freshmen and sophomores were added to the student body in 1984. UNF's scenic campus is now nestled among 1,381 acres, which includes a nature preserve and wildlife area with lakes and nature trails.

As UNF grows, it is proud of maintaining a reputation for excellence, which attracts a diverse group of highly qualified students. Academic programs are built on a strong foundation in the traditional arts and sciences. The University now has a student body of nearly 17,000 students enrolled in 66 undergraduate degrees with 80 areas of concentration, 45 master's degrees with 92 concentrations, 6 doctoral degrees and one specialist degree. It has nearly 600 faculty members and more than 1,100 full-time and part-time staff. UNF has six colleges: Brooks College of Health, Coggin College of Business, College of Arts and Sciences, College of Computing, Engineering and Construction, College of Education and Human Services, and Hicks Honors College. The University grants more than 4,300<sup>1</sup> bachelor's, master's and doctoral degrees each year.

UNF is dedicated to excellence in teaching, research and public service. The University's faculty is committed to providing high-quality instruction, with particular emphasis on undergraduate education. The faculty's publications

and other creative activities demonstrate a determination to remain at the cutting edge of intellectual inquiry and practice their respective disciplines. The University — through centers and institutes as well as traditional educational offerings and activities — is a major contributor to the community life of Northeast Florida and, indeed, to the larger community.

The generosity of both corporate leaders and dedicated citizens through the UNF Foundation supports scholarships, fellowships and engaging activities on campus and in the community.

The University of North Florida is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award baccalaureate, master's, and doctoral degrees. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call (404) 679-4500 for questions about the accreditation of the University of North Florida. Individual contact with the Commission on Colleges about the University of North Florida accreditation status should occur only if there is evidence that appears to support significant noncompliance with a requirement or standard.

Some professional associations offer further accreditation of specific programs. UNF's programs in athletic training, building construction management, business administration, civil engineering, computer science, electrical engineering, health administration, information science, information systems, information technology, mechanical engineering, music, anesthesiology nursing, nursing, nutrition, physical therapy, public administration, rehabilitation counseling, and teacher education have been accorded national disciplinary accreditation.

## SUMMER 2023 SENIOR SERVICE AWARD

### Dorick “Dee” Parker

The University of North Florida Alumni Association recognizes a graduating senior each semester for outstanding service to the University and community through volunteerism.

This year, the UNF Alumni Association has selected Dorick “Dee” Parker as the recipient of the Senior Service Award for the Summer 2023 graduating class.

Parker is graduating from UNF’s Brooks College of Health with a Bachelor of Science in Nursing. During her time on campus, Parker has shown exemplary leadership and community building skills, standing out among her peers and serving the Osprey community across multiples organizations.

She made it her duty to bring awareness to mental health and pursue this passion in her studies and volunteerism. Parker hosted and promoted “Mental Health Week” in Fall 2022 for the entire student body, creating spaces for activities that enrich mental wellness. She initiated back-to-school supply drives, led Breast Cancer Awareness Walks, and provided more than 700 hours of program specific clinical and community service to the Jacksonville community.

Parker acquired a comprehensive education in nursing at leading medical facilities in Jacksonville. She conducted a summer nursing externship in oncology at Mayo Clinic, worked as a mental health technician at Wolfson Children’s Hospital, and conducted clinical rotations at Baptist Medical Center, Baptist Medical Center Behavioral Health, Brooks Rehabilitation Center, UF Health Jacksonville, Orange Park Medical Center, and St. Vincent’s Medical Center’s Intensive Care Unit.

By spreading her time across these different medical facilities, Parker acquired expertise in nursing fundamentals as well as specialized nursing experience in psychiatry, surgery, obstetrics-gynecology, and other niche areas of healthcare.

Parker’s commitment to public service started in Student Government, where she held the rare distinction of serving in all three branches of government. She advocated for students as an associate justice in the judicial branch, served as a senator to

represent the student body, and established a connection between the student body and the executive branch as the chief of staff for the 2022-2023 school semesters. Her unique role allowed her the opportunity to implement many ideas proposed by the student body, creating new and exciting projects hosted by students on campus. Parker hosted a series of welcome back events to reacclimate students to campus life following the COVID-19 pandemic and held supply drives for local women’s shelters.

She joined the Presidential Envoys in 2022, proudly representing the UNF student body and Office of the President with gravitas and professionalism at University functions. She coordinated and assisted with philanthropic endeavors, notably helping with festivities surrounding graduation to celebrate the success of her fellow Ospreys.

Her leadership and campus involvement also spread to the UNF African Students’ Association and the UNF African Caribbean Society, where she acted as community service coordinator and president, respectively.

Parker also left a mark on the Greek community at UNF, serving as historian during her time with Alpha Kappa Alpha sorority and as president of the UNF National Panhellenic Council starting in Fall 2022.

Along with these leadership positions, Parker embodied excellence as a member of both the Order of Omega Greek Honor Society and the Sigma Theta Tau International Honor Society for Nursing. In addition, she served the UNF campus community as a resident assistant and a campus ambassador for Kendra Scott.

Parker will continue serving the Jacksonville community as a full-time registered nurse in a local intensive care unit through a new graduate residency program. She will also be pursuing a Master of Science in Nursing in the Psychiatric Mental-Health Nurse Practitioner program at Yale University in Spring 2024. Parker is unrivaled in her dedication and leadership among her peers, and her commitment to service and volunteerism is inspirational. We are proud to call her an Osprey alumna and are confident that Dee Parker will continue to change the lives of those fortunate to be in her orbit.

## CONGRATULATIONS ON YOUR COMMENCEMENT!

---

After years of hard work, countless late nights and anxious moments, you've earned your degree from the University of North Florida. We know you are proud of your accomplishments, and we're proud to welcome you as a new member of the UNF Alumni Association!

You join a network of Ospreys worldwide who are leaders and agents of change actively engaged within their communities and making a difference in the world.

The UNF Alumni Association has been serving the University's alumni since it first met as an advisory council in 1976. Of course, a lot of things have changed since then and we've worked hard to keep pace with your lifestyle and modern trends. We encourage you to follow us on social media and update your personal information through the Alumni Association website at [www.unf.edu/alumni](http://www.unf.edu/alumni). While you're there, be sure to subscribe to Nest Notes, our free electronic newsletter and an important communication tool for keeping you informed of upcoming events, happenings and opportunities available to you as alumni.

The Alumni Association hosts and promotes dozens of events each year including socials, networking opportunities, professional development seminars, family activities and more. There is something for everyone, so join us!

Congratulations again, and we look forward to seeing you at future UNF alumni events!

*Stay connected ... and keep on swooping!*

## UNF ALMA MATER

*Music adapted by Dr. William C. Moffit*

*Words by Dr. Merrill J. Palmer*

---

### VERSE:

We recall those days of gladness,  
Nestled midst the lakes and pine,  
Where we sought the gift of knowledge,  
Alma Mater, pride of mine.

### REFRAIN:

Sing her glory and her praises,  
Let them ring from sea to sea!  
North Florida we proudly honor,  
U-N-F, all hail to thee.

### VERSE:

Near the shores of the Atlantic,  
Where the Osprey soars on high,  
Stands our Alma Mater strong and true,  
With her colors gray and blue.

REPEAT REFRAIN
