

# 2025-2026 Independent Verification Document

Your 2025-2026 Free Application for Federal Student Aid (FAFSA) has been selected for a process called verification. Before disbursing aid, federal regulation requires us to review the accuracy of the information you provided on your FAFSA. We will compare your FAFSA with the information on this institutional verification document and with any other required documents. If there are differences, your FAFSA information may need to be corrected. The financial aid office may ask for additional information. If you have questions about verification, contact us as soon as possible so that your financial aid disbursement will not be delayed.

If a question does not apply to you or your spouse, **do not leave it blank**. Mark the answer zero or N/A for not applicable. Do not skip any questions. **If you skip a question or section, your entire packet may be marked as incomplete, delaying processing until a complete packet is received and reviewed.**

**Please do not submit originals. Documents submitted to UNF will not be returned. All documents must have the student's UNF ID number on each page submitted.**
