WELCOME TO LIVING ON CAMPUS

This guide will help you with the move-in process and acclimate you to life on campus. Start with checking your UNF email daily to stay up-to-date on all things housing.

Dear Ospreys,

On behalf of the Department of Housing and Residence Life, we are so excited you chose to live on campus for the 2026-2027 academic year! Living on campus is a big step in your journey as an independent adult, and that often means navigating new challenges by yourself. You'll have access to late night tutoring, game rooms, food options, lounge spaces, classrooms and so much more right in your residence halls. Our amazing staff and student leaders host a number of fun and educational events to help you get involved and make this your home. One of the most important things about college is learning to take advantage of the many amazing opportunities available to you, and we encourage you to jump in and participate!

From learning to do laundry and cleaning your room, to making friends, managing your time and succeeding in classes, so much happens in the residence halls. Your Resident Assistants (RAs), Learning Community Assistants (LCAs), Engagement Assistants (EAs), Assistant/Residence Life Coordinators and our entire team are available to support you. If there is anything we can do to help you be your best Osprey self, please make sure to reach out to our team and advocate for your needs. Our Osprey Fountains Welcome Desk is open 24/7. You can stop by the desk or call (904) 620-5000 any time, and our staff will be available to help you!

We made incredible memories living on campus at our respective universities and are excited to welcome you to UNF to do the same. So, let us be the first to welcome you to the Nest!

SWOOP,

Robert Boyle, Assistant Vice President for Housing and Residence Life

Dr. Amy Lorenz, Director of Residence Life

Kyle Patterson, Director of Housing Operations

COMMON POLICIES TO KNOW

Be sure to review the [Resident Handbook](#) for a comprehensive list of policies and expectations of living on campus.

Resident Handbook

Living on campus is an exciting experience, and the UNF Resident Handbook is here to help you navigate it. It includes important information about expectations, policies and safety guidelines, including restrictions on items like: pets, e-scooters, certain decorations, candles, alcohol/drugs, etc. The handbook will help you understand your responsibilities, avoid potential issues and contribute to a positive living environment for everyone. We strongly encourage you to read through it and refer back to it throughout the year; it's your go-to guide for being a responsible member of the UNF housing community. Take some time to review it so you're ready for a smooth start.

Quiet & Courtesy Hours

- Disruptive behavior and activities, such as yelling, loud music, or excessive noise may be documented and addressed. Students and their guest(s) may be asked to leave common areas if they are being disruptive. Residents' noise level should not interfere with the academic pursuits of others in the residential areas. A student's right to quiet overrules another student's right to make noise.
 - Courtesy Hours are in effect 24 hours a day, 7 days a week both inside and outside the residential buildings.
 - Quiet hours: Enforced during the times listed below, regardless of holidays or semester breaks.
 - Sunday – Thursday 10:00 P.M. – 8:00 A.M.
 - Friday – Saturday 12:00 A.M. – 8:00 A.M.

Fire Safety

- If a building fire alarm sounds, leave the building immediately. Once you exit the building, residents should follow staff instruction and go to the nearest parking lot or clearing then wait for an all clear.
- If a smoke detector (small alarms in each room) goes off, UPD will arrive to check the room and reset the alarm.
- Tampering with the fire alarms or smoke detectors anywhere in the building including your room is a crime and will not be tolerated.

See the [HRL Emergency & Crisis Webpage](#) for more details and evacuation routes.

Residence Life Conduct

All UNF residents and their guests are responsible for abiding by all:

1. Federal and State laws
2. University rules, regulations, and policies
3. University of North Florida Student Code of Conduct
4. Housing and Residence Life Resident Handbook

Violations of any policy and/or expectation shall be considered a violation of the Student Code of Conduct and may result in disciplinary action(s). Residents suspected of a possible violations may be documented by HRL Staff, University Police Department (UPD), and/or other University Officials. Residents could be expected to participate in a Housing or University Conduct Process and may be found and held responsible for the violations documented and issued sanctions.

To learn more about the Residence Life Conduct Process visit our [Housing conduct webpage](#).

Health and Safety Inspections

Housing and Residence Life reserves the right to enter students' rooms and all other residential areas for the following reasons: emergencies (health, facilities, etc.), Health and Safety Inspections, and other reasons as determined necessary to protect the safety and security of students, the UNF community, and facilities.

Health and Safety Inspections are conducted several times throughout the year to help maintain a clean and safe living environment. HRL staff will notify residents via UNF email prior to inspection. Inspections may take place regardless of a resident's presence. Residents are expected to work together to promote healthy living for themselves and others members. Excessive garbage, generally unclean rooms, and anything that contributes to health or fire safety concerns will be documented and the violations will be addressed by HRL Staff.

Floor Meetings

Once you're moved in, make sure to attend your floor meeting with your RA and neighbors. These mandatory meetings help you get oriented, meet your community, and learn important info about living on campus. Plus, don't miss the exciting welcome events happening all week long—there's something for everyone, and it's a great way to start making connections!

Check the full schedule of events here: events.unf.edu/departments/housing-and-residence-life
