CONTRACT CANCELLATION AFTER FACILITY OPENING: Unless the Contract is canceled prior to established deadlines as set forth in chart above, the Contract may not be terminated without financial responsibility of the outlined cancellation fees without approval from the Assistant Director of Housing Operations or his/her designee. The granting of a release

from financial responsibility to the Contract is NOT automatic, is rare and falls completely within the discretion of the Assistant Director of Housing Operations or their designee. In the event of termination of occupancy, Resident's obligation to pay rent will continue regardless of registration status with the University. Withdrawal or non-enrollment is not grounds for an automatic release/contract cancellation without financial responsibility as outlined as outlined in the above timeline.

Based on the length of the contract term and responsibility for the contract whether a Resident is enrolled at UNF or not, there is an established Contract Transfer process. A Contract Transfer allows the Resident to identify an eligible UNF student, who does not already have an active housing contract during certain periods of time to complete a contract in exchange for their cancellation with minimal financial penalty. Details about the Contract Transfer process can be found on the UNF housing website. There are designated time periods in which Contract Transfers cannot occur. These periods are typically active assignment periods in which priority for space has already been established. As such Contract Transfers are not permitted prior to July 15, 2022 and are not permitted when the Department is maintaining an official Wait List. Traditional wait list periods set by the Department are from then end of March through the beginning of the fall semester.
