

International Center
Division of Student Affairs

Dear Study Abroad Faculty-Leader:

UNF is mandated to comply with the Jeanne Clery Act, which is a Federal campus crime reporting law. In certain instances, the Clery Act applies to off-campus locations, such as traveling abroad with students.

We need your help in reporting the following information and ask your cooperation by contacting your hotel, lodging facility, or partner institution and ask for the contact information for the police or law enforcement agency that will service their site in case of an emergency.

Please complete the form on the following page for all lodging and classroom locations used during your activity abroad. A police station address is required for each lodging/classroom location.

Thank you for your help and if you have any questions, please feel free to contact Ann Hartunian in the International Center.

Thank you and safe travels.
