

# AN EXCEPTIONAL DEGREE OF CARE

Spring 2026

## ONLINE NURSING & HEALTH SCIENCES PROGRAMS

### TWO NEW ONLINE PROGRAMS - FALL 2026

The Brooks College of Health at UNF is excited to introduce two new online programs: Psychiatric Mental Health Nurse Practitioner, BSN to DNP and Nutrition & Dietetics: Nutrition for Healthcare Professionals, MS. Both programs were developed in response to growing workforce needs and are taught by experienced practitioners, ensuring students gain real-world, relevant skills that will elevate their career. See page 2 for program information.

PROGRAMS

### CELEBRATING NATIONAL NURSES MONTH WITH YOU

UNF Online is excited to join nursing and healthcare events throughout May. Check our schedule to find out where we'll be: [bit.ly/unfcommunityevents](https://bit.ly/unfcommunityevents). We'd love to see you there!

---

**Are you hosting an event? We would love the opportunity to bring UNF to you!**

Our team is available to table at your event or provide a tailored presentation. To connect or send an invitation, please email Rachel D'Amico at [r.damico@unf.edu](mailto:r.damico@unf.edu).

---

### JOIN A VIRTUAL INFORMATION SESSION

Discover more about our online programs by attending a live, hosted virtual information session. Each session last **15-20 minutes** and includes time for **participant Q&A**. [Register today!](#)

# NEW

## ONLINE PROGRAMS — NOW ENROLLING

**FALL 2026**

### NEW GRADUATE PROGRAMS FOR HEALTHCARE PROFESSIONALS

---

#### **NUTRITION & DIETETICS: NUTRITION FOR HEALTHCARE PROFESSIONALS, MS**

Designed for healthcare professionals with a health-related bachelor's degree, this non-RDN program focuses on advanced nutrition for holistic-centered care and prepares graduates to lead and educate in areas of wellness, prevention and public health.

**Enrolls:** Fall, Spring, Summer

**Completion:** As little as one year\*

**Delivery:** Fully online

#### **BSN TO DNP, PSYCHIATRIC MENTAL HEALTH NURSE PRACTITIONER**

Designed for registered nurses with a Bachelor of Science in Nursing, this direct BSN-to-DNP program prepares graduates to address mental health needs across the lifespan through advanced, evidence-based practice in diverse care settings.

**Enrolls:** Fall

**Completion:** Less than four years\*

**Delivery:** Primarily online

*\* If enrolled full-time*
