## RN-BSN BRIDGE TRACK

UNF's online and accelerated RN-BSN program is designed to provide you with the leadership skills to grow as a nursing professional. At UNF we recognize and respect your knowledge as a nurse. Earning your BSN can open the door to new career opportunities in the current and future healthcare job markets while helping you elevate the quality of care you provide patients.

The UNF RN-BSN degree is known for its community-focused approach, built right into your program, to provide you with experience beyond a traditional healthcare setting. You will have the opportunity to partner with a local agency — such as a homeless shelter, home-care agency, or disaster response organization — on a project that is relevant to your professional practice and will promote community health within your area of interest.

### CCNE Accredited

The Bachelor of Science in Nursing at the University of North Florida is accredited by the Commission on Collegiate Nursing Education, 655 K Street NW, Suite 750, Washington, DC 20001, (202) 887-6791.
