RE: Statement of Multimode 8 AFM Supplier

Dear Prof. Wurtz,

This letter is to state that the required specifics/functions of this AFM is met by Bruker Multimode 8HR AFM. Multimode 8HR AFM is the product manufactured solely by Bruker Nano Inc. Bruker Nano Inc does not work with or authorize any distributors in United States regarding this equipment sales/upgrade/technical support. We look forward to working with you on this AFM project.

Please let me know if there is other question. Thank you.

Sincerely,

Jianjun Yao, Ph.D
