**Background Information**

Provost Workman will provide an overview of UNF's submission of the 2009-2010 BOG Annual Report and seek Board of Trustees approval. This report complies with BOG Regulation 2.002: "Each board of trustees shall prepare a multi-year work plan/report for the Board of Governors that outlines its university's top priorities, strategic directions, and specific actions and financial plans for achieving those priorities, as well as performance expectations and outcomes on institutional and system-wide goals. The work plan/report shall reflect the university's distinctive mission and focus on core institutional strengths within the context of State University System goals and regional and statewide needs."
