

Sign In with SSO

Instructors and students should log into their UNF Zoom accounts using the Single Sign On (SSO) function. Zoom users must sign in with SSO on the web portal **and** the desktop/mobile application.

First - Sign into the UNF Zoom Web Portal

Visit unf.zoom.us and click the **Sign In** button.

All new UNF Zoom users will be prompted to activate their accounts via email.

Then - Download and Install the Desktop Application

If the Zoom program is not already installed on the user's computer, a link to the download can be accessed through the Web Portal. There is also a Zoom app available for mobile devices.
