

## **New Program in the Department of Biology (Fall 2020) Undergraduate Certificate in Biotechnology**

### **14 credit Certificate**

**Specialized skillset in Biotechnology (extra badge, which provides a competitive advantage for Biotech jobs in industry)**

**Minimum GPA 3.0 or above to enter**

**Register in junior year and get the Certificate along with the BS Degree**

**If you are a current sophomore, consider this extra badge for you to be competitive in the job market**

**Limited admission. Register early**

### **Required grades for the Certificate are shown below:**

**PCB3063C** w lab Genetics (4 credits) **B**

**OR**

**PCB3023C** Molecular & Cell Biology w lab (4 credits) **B**

**BCH4024/L** Molecular Biology & Biochemistry (4 credits) **B**

**MCB4021C** Molecular Biology Techniques (4 credits) **B**

**BSC3943** Internship in Applied Biology (2 credits)- **Lab-oriented P/F ★**

**OR**

**BSC4941** Mayo Clinic Biomedical Research Internship (2 credits) **B**

### **Major requirements**

**★Can be academic or industry**

### **Contact:**

#### **Biology advisor**

- Rachel Decker - E-Mail: [rachel.decker@unf.edu](mailto:rachel.decker@unf.edu)

#### **Chemistry/Physics advisor**

- Casey Zender - E-Mail: [casey.zender@unf.edu](mailto:casey.zender@unf.edu)

#### **Psychology advisors**

- Leann Anderson-Vincecruz- E-Mail: [leann.anderson@unf.edu](mailto:leann.anderson@unf.edu)

- Aaron Leedy E-Mail: [a.leedy.63870@unf.edu](mailto:a.leedy.63870@unf.edu)

#### **Biomedical Sciences Advisor**

- Dr. Elizabeth Stotz-Potter- Email: [e.stotz-potter@unf.edu](mailto:e.stotz-potter@unf.edu)

#### **For internship**

- Dr. Judith Ochrietor- E- Mail: [j.ochrietor@unf.edu](mailto:j.ochrietor@unf.edu)

**Biomedical Science Program Director: [Dr. Ramaswamy Narayanan](#)**
