* Nonresident Alien	<input type="text"/>

* Please provide a contact email address. This address will be used if the CACREP office has any questions about the information provided in this survey.

Final comments? Please share them below:

REMINDER: Posting Program/Student Outcomes

The highlighted heading, "COUNSELING PROGRAM/STUDENT OUTCOMES" was listed under each individual specialty area on the Vital Statistics Survey. Your responses to the questions below this heading need to be made publicly available on your program's website by September 18, 2018, and a hyperlink to that web page needs to be sent to cacrep@cacrep.org. This link will be made public on the CACREP website to meet recognition requirements set forth by the Council for Higher Education Accreditation (CHEA). The information to be posted includes the following four data points regarding each of your accredited specialty areas: (a) number of graduates in the past year, (b) completion rate, (c) licensure or certification examination pass rate, and (d) job placement rate of students/graduates.

If you are a new program completing the Vital Statistics Survey for the first time, you need to publicly report these data points in a program outcomes report on your program website. Once this report has been posted, you then need to send a hyperlink to the report via email to cacrep@cacrep.org.

If your program submitted a Vital Statistics Survey last year and you have previously posted program outcomes on the program website, you need to update your program outcomes report to reflect the most current data. If the hyperlink to the outcomes report changes when you update this information, you need to send a copy of the new hyperlink via email to cacrep@cacrep.org.
