Your education has given you the skills necessary to prepare for your professional career, come join us to get real life perspective from experienced individuals and know what core competencies are essential to be successful in your chosen career path. At Pivot, we take pride in finding talent in uncommon places (i.e.: traditional, non traditional, military, etc.) Pivot CPAs is one of the largest locally owned firms and is a member of the BDO Alliance. We are currently hiring for internships, part time and full-time positions.

BDO: Audit Vs. Tax

Noon-12:50pm, Coggin Bld #42 Room 2105

Ever wonder what the day in the life is like for audit vs tax? What busy season is really like? Or is it possible to work and study for the CPA exam? BDO wants to provide you with the opportunity to hear what it's like to be exceptional every day and in every way at BDO by letting associates from both audit and tax share their daily schedules. BDO also wants to provide you with the opportunity to ask fellow UNF alumni from BDO anything by hosting an open roundtable discussion for the second half of the session.

Enterprise Holdings: Using Your Accounting Degree to the Fullest

Noon-12:50pm, Coggin Bld #42 Room 2115

Some spend millions of hours just crunching numbers, but what else is out there? Curious how to put your accounting or finance degree to work to elevate the performance of a business with other options outside the office cubical? Enterprise Holdings, a family owned, privately held, multi-billion dollar company is the industry leader in automobile rentals. If you are looking for a fulfilling career outside the average accounting number crunching 9-5 job, come hear from an Enterprise Accounting Manager and how these career paths can be rewarding. Fulltime and internship opportunities will also be discussed for those interested.

Ennis Pellum & Associates: Excelling with Excel

Noon-12:50pm, Coggin Bld #42 Room 2108

Did you master Excel in your CGS 1100 course? Familiar with how accounting pros quickly navigate this tool to find success on the job? Join us for an Excel based discussion while reviewing the importance of acquiring skillsets in key areas of Excel. Topics will include tips and hints to increase efficiency, ideas to solve challenges in workbooks, and an introduction to key formulas and pivot tables to improve data analysis. Excel has more power than accountants generally use it for. Come explore best practices to incorporate into your work to save time and prepare better data. Career opportunities also discussed.

KPMG: Myths in Accounting

1:00-1:50pm, Coggin Bld #42 Room 2105

Accountants are often stereotyped as boring, tax-expert introverts who sit behind a calculator all day crunching away at numbers. However, these stereotypes do not accurately reflect the reality of what it's like to be an accountant. Come to KPMG Accounting Expo session and discover what a day in the life truly looks like for an accountant. KPMG is looking forward to dispelling all of the common accounting myths out there and getting you excited about all fun and exciting things to look forward to in a career in accounting.
