

Five-Year Accounting Accreditation Curriculum Changes
Summer 2007 through Fall 2011

October 9, 2007 **APC 07/08-002**
ACG 6405 Advanced Accounting Information Systems

Two prerequisite courses were deleted (ACG 4361 - Cost Accounting and FIN 3403 - Corporate Finance) since they are not needed for the course, and the course description is being changed to reflect current terminology in the field and to use complete sentences.

New Course Description:

This course presents objective user analysis of information systems and their role in providing accounting information for planning, operations control, and managerial/financial control. In this course, emphasis is placed on developing a conceptual framework for applying information technology to the functional areas of business.

April 14, 2008 **APC 07/08-329**
ACG 4863 Accounting & Management Control in the Film Industry (3 credit hours)

A new elective course was added to the accounting curriculum.

Course Description: Prerequisites: ACG 3103 – Intermediate Accounting I. This course is an exploration of accounting and management control systems for highly creative activities, using the film industry as a model. There is a particular emphasis on the preparation and analysis of film budgets.

December 10, 2008 **APC 08/09-131**

The department of Accounting and Finance deleted the MAN 4550 Introduction to Management Science course from the accounting curriculum, and in its place, added ECO 3411 Economic Statistics. The addition of the statistics course gives students additional coverage of this critical topic. Most of the other state schools require a second quantitative course in their curriculum as well.

November 11, 2010 **APC 10/11-004**

The Coggin College of Business eliminated SOP 3004 Social Psychology from its business core requirements, allowing each major in the College to use the newly available three credit hours in their major. The accounting faculty voted to use the three credit hours as an additional business elective.

February 8, 2011 **APC 201008-75**
TAX 6045 Tax Research and Writing

The faculty removed two pre-requisites, ACG4361 (Cost Accounting) and TAX3011 (Corporations and Partnerships), as they were not appropriate for this course. The required undergraduate Federal Income Tax course (TAX3001) is sufficient preparation for TAX6045.

February 8, 2011 **APC 201008-75**
TAX 6105 Taxation in Business Corporations

The faculty removed a pre-requisite, ACG4361 (Cost Accounting), as it was not appropriate for this course. The required undergraduate Federal Income Tax course (TAX3001) is sufficient preparation for TAX6045.
