

**Undergraduate Curriculum Committee (UCC) Meeting Minutes**  
**Fall 2018**

---

The following curriculum proposals were discussed and approved unanimously by the committee by an electronic vote.

**Department of Accounting**

Honors in Major: Accounting

**International Business Program**

Zero credit course: The IB program typically conducts required session(s) for study abroad students advising them of the visa requirements, the do's and don'ts of travelling abroad, vaccination requirements etc. Currently, they do not have any enforcement mechanism to make sure that everybody attends these important sessions. So they are proposing a zero credit course. If students miss this course, it would show on their transcript. However, this would not affect them in terms of graduating and so on.
