Faculty View: Student Online Learning Orientation (SOLO) Status

To view the current status of students in your classes relative to the Student Online Learning Orientation (SOLO), go to the Faculty & Advisors Menu in Faculty Self Service.

1. Select the “SOLO Status” item.

2. Select a Term. Select a CRN.

3. View the current “SOLO Status” for each student enrolled or waitlisted for a specific course section.

4. Use the “Status Filter” to filter the list to see students who have “Not Completed” SOLO.

5. Conveninetly email all the students displayed by copying and pasting the email addresses shown in the “Email Address List” box at the bottom of the page into any email application.

6. For additional information, view the “Help” menu in the upper right corner.
