You must complete this worksheet because you reported on your 2018-2019 FAFSA that you had a conviction for possessing or selling illegal drugs or because you left question 23 blank.

Complete this worksheet to determine if you are eligible for Federal Title IV financial aid. Below are the possible eligibility outcomes:

- “1” means your eligibility for Federal Title IV financial aid is not affected by question 23.
- “2” means your drug conviction(s) affect(s) eligibility for Federal Title IV financial aid for all or part of the 2018-2019 school year. To receive Federal Title IV aid, you must report your “eligibility date” from question 11 on this worksheet to UNF Office of Student Financial Aid. You may become eligible earlier in the school year if you complete an acceptable drug rehabilitation program or pass two unannounced drug tests administered by an acceptable drug rehabilitation program. Even if you are not eligible for Federal Title IV aid, you may still be eligible for aid from the State of Florida or UNF.
- “3” means you are not eligible for Federal Title IV financial aid for the 2018-2019 academic year unless you complete an acceptable drug rehabilitation program or pass two unannounced drug tests administered by an acceptable drug rehabilitation program. Even if you are not eligible for Federal Title IV aid, you may still be eligible for aid from the State of Florida or UNF.
