Dear ,

We are happy to inform you that we have determined **you may be eligible to receive funding through the Coronavirus Aid, Relief, and Economic Security (CARES) Act**. During these unprecedented and trying times, the University of North Florida remains dedicated to supporting our students.

The CARES Act was passed by the Federal Government on March 27, 2020 to address unmet financial and health needs arising from the COVID-19 pandemic. We also understand that for many families, financial situations have been seriously impacted by such circumstances as reduced work hours and unemployment. If this is your situation, we encourage you to contact One-Stop Student Services so that a financial aid professional may review your file and work with you to see if additional assistance is available.

Replies to this email will not be received. If you have questions, please contact One-Stop Student Services at www.unf.edu/onestop/contact/.

Warmly,

UNF Office of Student Financial Aid
