# Hicks Honors College Fellow Scholarship Application

This application is for current Undergraduate Hicks Honors College students to use to apply for funds for an Honors Project.

To see a list of steps in the workflow click on [Workflow](#).

## Ready to Begin and Complete

You will need the following documents completed and saved before you begin this application.

- **Project Summary**
  - Please attach a 1-2 page summary of the proposed project with this application. In this summary provide a brief overview of the project, or expected contribution to the project, and how this experience will benefit your educational goals and/or career goals. If funds are being requested to support travel to a regional, national, or international conference to present your research, or poster please state which conference you anticipate attending, the dates of the conference (if you know it), and the location of the conference. Please note: You are required to have some photographs taken of you while you are presenting at that conference and email them to [honors@unf.edu](mailto:honors@unf.edu) when you return, or you may submit with your required funding thank you letter prior to your graduation.
- **Statement of Support from Faculty Project Mentor**
  - Your chosen Faculty Project Mentor will need to write a brief statement of support, confirming that you have discussed your proposed project with your mentor and that he/she has agreed to mentor and guide you as you work on your project.
- **Project Budget**
  - Prepare a budget that best describes how you will use this funding and upload it with this application.
  - If your project includes travel this template is useful and allows you to add rows for other project expenses. (<https://www.vertex42.com/ExcelTemplates/travel-budget-worksheet.html>)

I have all the required items listed above and I'm ready to begin \*
