

How Florida Prepaid Works

We do not need to see your Florida PrePaid card.

- UNF will match all registered students with the Florida Pre Paid database by their SS# (updates nightly)
- *If your account is not in good standing with Florida Prepaid or you need to complete a survey, Florida PrePaid will not pay*
- *The Florida PrePaid amount will be listed under “Estimated Financial Aid” on “View & Pay my Bill”*

If you are registered and do not see an amount listed under “Estimated Financial Aid” within 7 business days:

1. Check your UNF email. We will send you an email if Florida PrePaid’s has indicated a problem. Follow the email instructions
2. Check with Florida Prepaid to see if your contract has been established or to verify the students correct SS#.

Your social security number must match UNF and Florida Prepaid files

Contact www.myfloridaprepaid.com/contact-us.aspx

If your social security number matches and Florida Prepaid states that you are in good standing, email cashier@unf.edu with your contact information up to 5 days prior to the tuition deadline date so that we can research the issue.

If UNF has the wrong social security number, bring your social security card to One Stop to get that corrected in our system as soon as possible.

Florida Prepaid will not pay all your tuition and fees

More Information:

- If you are taking Graduate level courses, your Florida PrePaid plan will pay at the undergraduate rate for any remaining University credits.
- If you register late and want your Florida Prepaid contract to be billed, you will need to email cashier@unf.edu immediately for UNF to bill on your behalf. Failure to pay in full or have tuition deferred by the published deadline will result in a \$100 late fee.
 - The University will invoice Florida Prepaid the second week of the semester and we generally receive payment 2 weeks later (4th week of the semester). If you have other Financial Aid it may post to your account before we receive payment from Florida PrePaid. This may mean that you do not receive a refund until the payment from Florida PrePaid is posted.

If you do not want to use your Florida PrePaid to pay your tuition:

If you do not want UNF to bill Florida Prepaid for a particular term, please go to [myWings](#), click on the Student Self Service link, Online Forms link and complete the Florida Prepaid Opt Out form **before the tuition deadline date**. You will be removed in an overnight process from our system and your Florida Prepaid will not be billed

This is applicable for 1 term only and must be completed for each term you do not want us to bill Florida Prepaid

To **bill for hours less than the number** for which you are registered, you need to complete the form via the link below and return it to the Cashier's Office **before the tuition deadline date**.
