

DLC LMS Team Report: 12/06/2017

- Remote Proctor Now
 - Proctoring solution for Canvas tests. Not live proctor, recorded sessions are reviewed by proctor.
 - <http://www.softwaresecure.com/product/remote-proctor-now/>
- Canvas Teacher App
 - Mobile app designed to make grading of all assignments easier for instructors.
 - Works on all graded assessments in Canvas.
 - <https://community.canvaslms.com/docs/DOC-11975-67952772361>
- Canvas Releases (regular 3 week updates)
 - Workflow Improvements: improvements on how content is moved and copied in a course
 - [Grade History Filters](#): improvements on how instructors can view the Grade History report for better readability
 - [Rubric](#): improvements made to the creation of rubrics
 - [Accessibility Checker](#): Available from the rich content editors, verifies attributes within the editor and notifies the content creator of common accessibility errors
