June 17, 2010

DEPARTMENT OF EDUCATION

Division of Universities
University of North Florida

REGULATION TITLE:

Schedule of Tuition and Fees

REGULATION NO.:

11.0010R

SUMMARY:

The Florida Legislature increased basic undergraduate tuition to \$95.67 per credit hour and authorized State University Board of Trustees to increase out-of-state, graduate, professional, Activity & Service, Athletic and Health fees for the academic year 2010-2011. The amendment to the regulation proposes an increase to tuition and associated fees and incorporates a new technology fee.

STATEMENT OF FACTS AND REASONS FOR EMERGENCY REGULATION:

The emergency regulation is necessary in order to timely implement rates and fees for the Fall 2010 registration period. An emergency regulation is necessary as the ability to collect such fees has been relied on in developing the University's budget. The ability to assess the tuition and fee amounts is vital to the fiscal welfare of the University and as such the University must proceed with the regulation authorizing such tuition and fees on an emergency basis. Pursuant to the Regulation Development Procedures, the emergency regulation is valid for ninety (90) days, thus a permanent regulation which mirrors the revisions herein is being promulgated.
