University of North Florida

REGULATION TITLE:

Schedule of Tuition and Fees

REGULATION NO.:

11.0010R

SUMMARY:

Florida Board of Governors Regulation 1.001 provides that each Board of Trustees is authorized to promulgate University regulations in accordance with the Regulation Development Procedure adopted by the Board of Governors. Such regulations must be consistent with the law and the regulations and strategic plan of the Board of Governors. The Legislature sets tuition for undergraduate students. The Board of Trustees are granted authority to set tuition levels for all other groups.

STATEMENT OF FACTS AND REASONS FOR EMERGENCY REGULATION:

The emergency regulation is necessary in order to timely implement rates and fees for the Fall 2015 registration period. An emergency regulation is necessary as the ability to collect such fees has been relied on in developing the University's budget. The ability to assess the tuition and fee amounts is vital to the fiscal welfare of the University and as such the University must proceed with the regulation authorizing such tuition and fees on an emergency basis. Pursuant to the Regulation Development Procedures, the emergency regulation is valid for ninety (90) days, thus a permanent regulation identical to the revisions herein will be promulgated.
