Chapter Accreditation Program

Chapter Goals Action Plan

Replace this text with Fraternity/Sorority Name

Replace this text with Semester & Year (ie. Fall 2016)

Instructions:

This action plan should be discussed at your first meeting with your council advisor, and submitted as a print version to your accreditation binder within the first 30 days of the semester. The Action Plan should consist of at least three chapter goals, with detailed steps for achieving each goal. The expected format for the action plan can be found on the following pages. Type the goals and related action steps into the boxes before submitting.

Remember, goals should always be **SMART**:

- Specific (who/what/when/where?)
- Measurable (*how* will you know when it's completed?)
- Attainable (*can* you realistically accomplish it?)
- Relevant (*why should* you do it – based on your values and vision?)
- Time-Bound (realistic timeframe to complete each step of the goal)
