Identity/Power/Agency

Conceptions of agency, and autonomy after the postmodern critique of power; relation between agency, autonomy, and social structure or cultural context; function and scope of authority for social selves; power-based constructions of social identities, such as gender; deep-psychological and symbolic dimensions of social power; etc.

Papers:

- Lynn Carroll (Education, UNF): “Psychology and the Transgendered: Policing the Gender Borders.”

- Sam Kimball (English, UNF), "Milgram Revisited: Obedience, Agency and Authority."
